

HOW TO FIND US

CNNMoney Switzerland is located on the 4th floor of the Medienpark building at Flurstrasse 55 in 8048 Zurich (Altstetten)

In-house guest parking is available in the building's underground parking lot in -1. To enter the parking garage, you may simply take a regular parking ticket at the gate to enter. We will then give you a validated parking ticket at the TV studio, so you may exit free of charge. It is a bit tricky to find your way in to the building so please call us once you are parked and we will come down to collect you.

You may reach us by taking tram number 2 to the Kappeli tram stop. Or you may take trains S3/S5/S11/S12/S14/S19/S42/EXT/IR/IR36 or RE to the Bahnhof Altstetten train station. From there you may use bus numbers 83 or 89 to get to the Kappeli bus stop. (This will take you 5 minutes.)
